

BUY SAFE TOYS: THE 3 PS

3Ps

P Product

- ✓ **Make sure the toy isn't broken**
- ✓ **Make sure there are no loose parts**
- ✓ **Make sure the packaging is in your language**
- 🔍 **Look for the CE mark**
 - 👍 All toys must have it
 - 🗨 If it isn't there, don't buy it and ask an adult for help

P Point of sale

- 👤 Always shop **with an adult**
- ✓ Choose **well-known shops and websites**
- 🛒 That way, if there's a problem, **they can help you**

S Safety

- 🔍 **Check the toy's recommended age.** Not all toys are suitable for all children.
- 👍 If the recommended age is different from yours, **do not use it.**
- 👍 **Always read** the pictures and warnings on the packaging

⚠ WARNING:

Protective equipment should be worn.
Do not use in areas with traffic.
Max. 50 kg.

P Price

👁 Be wary of very low prices

If a toy costs much less than others, it may be a fake and unsafe.
